Alice's Adventures in Wonderland: And Other Stories (Leather-bound Classics) Lewis Carroll, John Tenniel

Witty, whimsical, and often nonsensical, the fiction of Lewis Carroll has been popular with both children and adults for over 150 years. The newest edition to the Leatherbound Classics series from Canterbury Classics, Lewis Carroll takes readers on a trip down the rabbit hole in *Alice's Adventures in Wonderland*, where height is dynamic, animals talk, and the best solutions to drying off are a dry lecture on William the Conqueror and a Caucus Race in which everyone runs in circles and there is no clear winner.

Through the Looking Glass begins the adventure anew when Alice steps through a mirror into another magical world where she can instantly be made queen if she can only get to the other side of the colossal chessboard. Fans of Carroll will also delight in the inclusion of *Alice's Adventures Underground*, the original unpublished manuscript written for the three daughters of a family friend that would later be transformed into *Alice's Adventures in Wonderland*.

Complete with the original drawings by John Tenniel, this luxurious leather-bound edition is a steal for new readers and Carroll fans alike.

Lexile score: 940L
