Charley knows a lot about pain. She endures it when she walks on her newly shattered leg, she sees it when her father buries himself in an eighty-hour work week, and she runs from it when she sees photographs her mother took before her death. Then one day, Charley meets a wild, abused dog that knows as much about pain as she does, and, despite herself, she feels an immediate connection and vows to help him. But how will one heartbroken girl help mend the battered spirit of an untamable dog?
