Precious Metal Clay in Mixed Media from Wardell Publications art glass introduces an innovative process from Precious Metal Clay that combines the playfulness of clay with the value and permanence of pure silver and 24K gold. It is a fun material to work with and is one of the worlds fastest growing hobbies largely due to the quick and easy learning curve. The 21 projects in this book were carefully selected to demonstrate the versatility of PMC and release the artist imagination to explore the capabilities of blending other materials into their work. Precious Metal Clay is sure to enrich the work of jewelers in addition to artists working in polymer, ceramic, porcelain, fabric or art glass. The author Mary Ann Devos has lead the way working, teaching and developing techniques for this exceptional material since 1996. She regularly conducts master classes in Precious Metal Clay all over the United States, Canada, Europe, and Japan.
