Siete hombres: Y el secreto de su grandeza (Spanish Edition) Eric Metaxas

En *Siete Hombres*, Eric Metaxas, uno de los autores más leídos del *New York Times*, presenta siete retratos cortos exquisitamente elaborados sobre hombres cristianos ampliamente conocidos —aunque no del todo comprendidos—, cada uno de los cuales demuestra de forma singular su compromiso de vivir, bajo determinadas virtudes, en la verdad del evangelio.

Escrito en un hermoso y cautivador estilo, *7 Hombres* aborda lo que significa (o debería significar) ser un hombre en la actualidad, en donde los medios y la cultura popular nos muestran imágenes de masculinidad diferentes a las que observamos en las Escrituras y en la vida civil histórica. ¿Qué significa realmente ser un modelo ejemplar como padre, hermano, esposo, líder, instructor, consejero, agente de cambio y hombre sabio? ¿Qué significa ser símbolo de honestidad, coraje y caridad, especialmente cuando la cultura y el mundo van en contra de esos valores?

Cada una de las siete biografías representa la vida de un hombre que luchó y afrontó desafíos, haciéndose fuerte ante circunstancias que hubieran acabado con la determinación de cualquier otro hombre. Los siete personajes reseñados —George Washington, William Wilberforce, Eric Liddell, Dietrich Bonhoeffer, Jackie Robinson, Juan Pablo II y Charles Colson— invitan al lector a seguir un camino y un estilo de vida superior, uno que sea reflejo del evangelio en el mundo que nos rodea.
