**It's *Bring it On* meets *The Craft* in this spellbinding witchy series debut.**

A stolen book. A deadly plan. A destiny discovered.

If high school is all about social status, Indigo Blackwood has it made. Sure, her quirky mom owns an occult shop, and a nerd just won't stop trying to be her friend, but Indie is a popular cheerleader with a football-star boyfriend and a social circle powerful enough to ruin everyone at school. Who wouldn't want to be her?

Then a guy dies right before her eyes. And the dusty old family Bible her mom is freakishly possessive of is stolen. But when a frustratingly sexy stranger named Bishop enters Indie's world, she learns that her destiny involves a lot more than pom-poms and parties. If she doesn't get the Bible back, every witch on the planet will die. And that's seriously bad news for Indie, because according to Bishop, *she's* a witch too.

Suddenly forced into a centuries-old war between witches and sorcerers, Indie is about to uncover the many dark truths about her life—and a future unlike any she ever imagined on top of the cheer pyramid.

*From the Hardcover edition.*

### **From reader reviews:**

#### **Megan Snyder:**

Book is to be different for every grade. Book for children till adult are different content. As we know that book is very important usually. The book Hexed was making you to know about other expertise and of course you can take more information. It is extremely advantages for you. The reserve Hexed is not only giving you more new information but also for being your friend when you sense bored. You can spend your current spend time to read your publication. Try to make relationship with the book Hexed. You never really feel lose out for everything should you read some books.

#### **James Rodriguez:**

Here thing why this kind of Hexed are different and reputable to be yours. First of all reading through a book is good but it really depends in the content than it which is the content is as delicious as food or not. Hexed giving you information deeper as different ways, you can find any publication out there but there is no book that similar with Hexed. It gives you thrill reading through journey, its open up your eyes about the thing which happened in the world which is possibly can be happened around you. You can bring everywhere like in park, café, or even in your approach home by train. When you are having difficulties in bringing the branded book maybe the form of Hexed in e-book can be your alternative.

#### **Alberto Kimble:**

The actual book Hexed will bring that you the new experience of reading a new book. The author style to describe the idea is very unique. If you try to find new book to study, this book very appropriate to you. The book Hexed is much recommended to you to learn. You can also get the e-book from the official web site, so you can easier to read the book.

#### **Donald Barber:**

Hexed can be one of your starter books that are good idea. We all recommend that straight away because this book has good vocabulary that could increase your knowledge in vocabulary, easy to understand, bit entertaining but delivering the information. The writer giving his/her effort to get every word into delight arrangement in writing Hexed yet doesn't forget the main level, giving the reader the hottest in addition to based confirm resource details that maybe you can be considered one of it. This great information can draw you into fresh stage of crucial contemplating.
