## **How to Read Machiavelli** Maurizio Viroli

Niccolò Machiavelli (1459–1527) is one of most influential modern political thinkers. His works, above all *The Prince*, *The Discourses on Livy*, *The Florentine Histories*, and *The Art of War*, are still passionately discussed in the intellectual community and continue to suscite new visions of political action. Against the trite commonplace that Machiavelli was a teacher of evil who justified political immorality, Maurizio Viroli shows, on the basis of a rigorous study of his texts, that Machiavaelli taught instead the best way to attain true glory through political action and that his works were inspired by a profound love of republican liberty. Extracts are taken from the whole corpus of Machiavelli's works, including his personal letters.
