Experience the awe-inspiring beauty of our night sky as seen through the lens of one of the world's premier night photographers. Each month of this 12-month calendar features stunning images of celestial objects like the moon, planets, stars, meteors, and northern lights. It provides the dates of major astronomical events, including moon phases, solar and lunar eclipses, meteor showers, and moon-planet conjunctions. Most of these otherworldly events can be seen by casual observers here on Earth.
