## **The Rise and Fall of the Nephilim** Scott Alan Roberts

Genesis 6:4: “And the Nephilim were on the earth in those days – and also afterward – when the Sons of God cohabited with the daughters of humans, and had children by them...”

The ancient books of Genesis and Enoch tell us that spirit beings known as the “Watchers” descended to the Earth, had sex with women, and begat a hybrid race of offspring known as the Nephilim.

Such tales are as old as humanity itself. These histories and accounts of visitations and subsequent mixed-blood alien-human races comprise the bulk of mythology, legend, religion, and our superstition.

The Rise and Fall of the Nephilim examines:

- "• Elohim and the Bene haElohim – God and the Sons of God
- "• The “Watchers”: UFOs, extraterrestrials, angels, infiltrators, and impregnators
- "• Demonic agendas: incubi, succubi and spirit beings
- "• Biblical and apocryphal sources from Enoch to Moses
- "• The role of the Fae, Elves, Elementals, and ancient gods

What if the old spiritualities and religions weren’t just legends? What if there was something living and breathing beneath the surface, a tangible interlinking of religious thought and spirituality, science and myth, inter-dimensionality and cold, hard fact?

The Nephilim walked among us... and still do today.
