The Son Of Tarzan: "It is a characteristic of the weak and criminal to attribute to others the misfortunes that are the result of their own wickedness."

Edgar Rice Burroughs

The Son Of Tarzan: "It is a characteristic of the weak and criminal to attribute to others the misfortunes that are the result of their own wickedness." Edgar Rice Burroughs

Edgar Rice Burroughs was born on September 1, 1875, in Chicago, Illinois. His early career was unremarkable. After failing to enter West Point he enlisted in the 7th Calvary but was discharged after heart problems were diagnosed. A series of short term jobs gave no indication as to a career path but finally, in 1911, married and with two young children, he turned his hand to writing. He aimed his works squarely at the very popular pulp serial magazines. His first effort 'Under The Moons Of Mars' ran in Munsey's Magazine in 1912 under the pseudonym Norman Bean. With its success he began writing full time. A continuing theme of his work was to develop series so that each character had ample opportunities to return in sequels. John Carter was in the Mars series and there was another on Venus and one on Pellucidar among others. But perhaps the best known is Tarzan. Indeed Burroughs wanted so much to capitalise upon the brand that he introduced a syndicated Tarzan comic strip, movies and merchandise. He purchased a large ranch north of Los Angeles, California, which he named "Tarzana." The surrounding communities outside the ranch voted in 1927 to adopt the name as their own. By 1932 Burroughs set up his own company to print his own books. Here we publish the fourth in the Tarzan series 'The Son of Tarzan'. Another cultural classic.
