CBC Exposed Brian Lilley

CBC Exposed is a book like no other. This book takes on the holy grail of the Canadian media landscape and lays bare the truth about CBC. Reckless reporting at the state broadcaster has ruined lives and cost taxpayers millions upon millions in settlement costs yet no one has ever been held to account. This book does what the consensus media cowards are afraid to do, tell the truth about CBC. From reporting driven by vendettas to outright biases against conservatives, gun owners, Israel and any other group that doesn't fit their vision of Canada, CBC Exposed is a call to action to rein in this broadcasting giant. Once you read this book you too will be convinced that the only way to tame the beast is to sell it.
