"Charlie Chan's Chance" -- the 1932 Fox motion picture starring Warner Oland as Chan-- is now considered a "lost" film (the original film materials were destroyed in a vault fire.) Unless a copy surfaces in some remote corner of the world, as happened with "Charlie Chan in Paris," this original screenplay is the closest Chan fans will come to seeing the original. This addition to the film series was penned by Barry Connors and Philip Klein, with added material suggested by Earl Derr Biggers, and based loosely on Biggers' original novel, "Behind That Curtain."
