Eat, Leo, Eat! Caroline Adderson

Every Sunday, Leo and his family gather at Nonna's house for lunch. Everyone is hungry for Nonna's delicious homemade pasta ...except Leo, who'd rather play. But when Nonna passes around the bowls of soup with stellini – small, star-shaped noodles – she also serves the start of a story. Leo eats his lunch as he listens to the tale, which cleverly features that week's noodle shape, and over the next few weeks Leo and the whole family grow hungrier for more pasta ...and more of the story! A scrumptious book about food, family and the art of storytelling.
