What if most people have it wrong, and miracles are not the exception but the norm? *Flash's Song* is the true account of how one person discovered the secret of miracles. It is a story of the power of laughter, the power of family, and, ultimately, the power of love to get us through life.

Freelance writer Kay Pfaltz was living a quiet, simple life with her three beloved dogs when suddenly her life turns upside down. Coming to terms with a failed relationship, she must now take her ailing dachshund, Flash, in for back surgery. But when the vet tells Kay that Flash's problem is not a disc but in fact a tumor growing on his spine and Flash has, at most, three weeks to live, Kay is devastated. From here begins a journey of self-discovery and recovery that will open Kay's heart to the greatest miracle of all.

Flash's Song tells the story of amazing canine courage and remission against all odds. It is a ballad of love and redemption, and a moving account of how Flash's three-week prognosis became five and a half miraculous months of learning, loving, and finally accepting.

Written in luminous prose, accompanied by poignant photos, and filled with keen insight into love, faith, and the power of forgiveness, *Flash's Song* is not only a heartwarming ode to a little dog, but also a tribute to life and an invitation to cherish every moment of it.
