Nut Grower's Handbook - A Practical Guide To The Successful Propagation, Planting, Cultivation, Harvesting And Marketing Of Nuts Carroll D. Bush

Nut growing is a branch of agriculture that is little recognized in this country, except in a few favored areas. Many rather great men have given time and labor to study, select, grow and propagate nut trees and spread the gospel of nut growing. They have believed the work to be of great value to agriculture and to the future of the American people. The work is just begun: it will never be finished.
