**San Antonio Beer:: Alamo City History by the Pint (American Palate)** Jeremy Banas, Travis E. Poling  
Brewing history and beer culture permeate San Antonio. The Menger Hotel and its bar notoriously frequented by Teddy Roosevelt and his Rough Riders began as the city's first brewery in 1855. The establishment of San Antonio Brewing Association and Lone Star Brewery at the close of the nineteenth century began the city's golden age of brewing. Decades later, the Volstead Act decimated the city's brewing community. Only one brewery survived Prohibition. Those that bounced back were run out of business by imports coming in on the new railroad. The 1990s saw a craft comeback with the opening of the oldest existing brewpub, Blue Star Brewing Company. Today, San Antonio boasts a bevy of new breweries and celebrates its brewing heritage. Grab a pint and join authors Jeremy Banas and Travis E. Poling for a taste of Alamo City's hoppy history.
