The Life I Left Behind

Colette McBeth

The Life I Left Behind Colette McBeth

Six years ago, Melody Pieterston was attacked and left for dead. Only a chance encounter with a dog walker saved her life. Melody's neighbor and close friend David Alden was found guilty of the crime and imprisoned, and the attack and David's betrayal of her friendship left Melody a different person. She no longer trusts her own judgment, she no longer trusts her friends. In fact, she no longer really has any friends. She's built a life behind walls and gates and security codes; she's cloistered herself away from the world almost entirely.

And then, soon after David is released from prison, Eve Elliot is murdered in an attack almost identical to Melody's. With the start of a new police investigation, Melody is suddenly pulled from her ordered, secluded life and back into the messy world around her. But as she learns more about Eve's murder, Melody starts to wonder if perhaps David hadn't betrayed her after all...if perhaps the killer is someone else entirely, someone who's still out there, preparing to strike again.

Narrated alternately by Melody and by Eve's lingering ghost, *The Life I Left Behind* is a taut thriller and an intimate look at two young women bound together in ways neither of them could ever have predicted. Colette McBeth has proven once again that she is a master of suspense.

From reader reviews:

Matthew Segal:

Do you have favorite book? For those who have, what is your favorite's book? Guide is very important thing for us to be aware of everything in the world. Each e-book has different aim as well as goal; it means that reserve has different type. Some people really feel enjoy to spend their the perfect time to read a book. They can be reading whatever they take because their hobby is usually reading a book. What about the person who don't like reading a book? Sometime, man feel need book whenever they found difficult problem or even exercise. Well, probably you should have this The Life I Left Behind.

Marva Larson:

Reading a e-book tends to be new life style within this era globalization. With examining you can get a lot of information that could give you benefit in your life. Together with book everyone in this world can easily share their idea. Textbooks can also inspire a lot of people. A lot of author can inspire their own reader with their story or their experience. Not only the storyline that share in the publications. But also they write about the data about something that you need example of this. How to get the good score toefl, or how to teach children, there are many kinds of book which exist now. The authors these days always try to improve their ability in writing, they also doing some exploration before they write on their book. One of them is this The Life I Left Behind.

Dan Fry:

A lot of people always spent all their free time to vacation or go to the outside with them household or their friend. Do you know? Many a lot of people spent many people free time just watching TV, or playing video games all day long. If you need to try to find a new activity that is look different you can read any book. It is really fun for yourself. If you enjoy the book that you simply read you can spent the entire day to reading a reserve. The book The Life I Left Behind it doesn't matter what good to read. There are a lot of individuals who recommended this book. These were enjoying reading this book. When you did not have enough space to bring this book you can buy the actual e-book. You can m0ore very easily to read this book from a smart phone. The price is not very costly but this book has high quality.

Louise Villanueva:

As we know that book is very important thing to add our knowledge for everything. By a guide we can know everything we would like. A book is a pair of written, printed, illustrated or even blank sheet. Every year has been exactly added. This publication The Life I Left Behind was filled concerning science. Spend your spare time to add your knowledge about your research competence. Some people has different feel when they reading some sort of book. If you know how big good thing about a book, you can sense enjoy to read a reserve. In the modern era like today, many ways to get book that you wanted.
