Robin Hardy

Streiker's Morning Sun: Book Three of The Streiker Saga (Volume 3) Robin Hardy

This special 4th edition features a new ending!

Welcome to Beaconville. It's a suspicious, unfriendly little town suspended in a dreary, bone-chilling winter. But when reclusive Dallas billionaire Fletcher Streiker receives a rambling plea for help from one of the residents, he decides to make a personal visit, bringing his wife, Adair, and their young son, Daniel. The citizens react with predictable hostility when Fletcher shows a little too much interest—and insight—into their doings.

Inexplicable things begin to happen, as when pieces from Adair's past appear around town. However, when Fletcher pushes the townspeople a little too far, she and Daniel are left on their own. And the only way they can leave—the only way *anyone* can leave—is on Fletcher's train, the Morning Sun.

The Streiker Saga begins with *Streiker's Bride*, continues in *Streiker: The Killdeer*, and concludes with *Streiker's Morning Sun*. Fletcher Streiker makes his next appearance in *His Strange Ways*, the sequel to *Padre*.
