The Boothbay Region Revisited Boothbay Region Historical Society

The Boothbay Region Revisited is a collection of vintage photographs illustrating the Yankee tenacity of those who settled this historic coastal area. Images ranging from the 1880s to the late 1900s depict the beautiful backdrop of Boothbay and Boothbay Harbor and the activities that have taken place there: shipbuilding and seafaring, small-town commerce and recreation, and the rise and expansion of the region as a summer resort.
