## **The Great Depression: A Diary** Benjamin Roth

When the stock market crashed in 1929, Benjamin Roth was a young lawyer in Youngstown, Ohio. After he began to grasp the magnitude of what had happened to American economic life, he decided to set down his impressions in his diary.

This collection of those entries reveals another side of the Great Depression—one lived through by ordinary, middle-class Americans, who on a daily basis grappled with a swiftly changing economy coupled with anxiety about the unknown future. Roth's depiction of life in time of widespread foreclosures, a schizophrenic stock market, political unrest and mass unemployment seem to speak directly to readers today.

So , why hesitate? Let me have *The Great Depression: A Diary*.

#### **Tom Salgado:**

As a college student exactly feel bored in order to reading. If their teacher requested them to go to the library or to make summary for some book, they are complained. Just tiny students that has reading's heart and soul or real their leisure activity. They just do what the professor want, like asked to the library. They go to right now there but nothing reading critically. Any students feel that reading is not important, boring and also can't see colorful pics on there. Yeah, it is being complicated. Book is very important for yourself. As we know that on this period of time, many ways to get whatever we really wish for. Likewise word says, ways to reach Chinese's country. Therefore this *The Great Depression: A Diary* can make you sense more interested to read.
