The Master of Misrule Laura Powell

"Thriller, magic, mystery, love and betrayal: in the cards and in these pages." —Kirkus

When Cat and her friends put an end to the sinister Game of Triumphs, they thought they could simply collect their prizes and walk away. But they unwittingly created a monster. Before the dust has settled, the self-proclaimed Master of Misrule is engineering a sadistic lottery that will unleash the power of the Game onto an unsuspecting London. Misrule's agenda of chaos threatens life as they know it, gambling away free will for fickle fortune. And his power has quickly grown to proportions they never could have imagined. It all comes down to one final play. Cat, Flora, Blaine, and Toby must go back into the Arcanum and take fate into their own hands. This time they have everything to lose.

This spine-tingling follow-up to Powell's *The Game of Triumphs* is everything you could hope for in a sequel and more! It's every bit as thrilling and complex as the first book, with higher stakes and even a hint of romance added to the mix.

From the Hardcover edition.
