## **The Most Endangered Animals in the World (All About Animals) Tammy Gagne**

All endangered animals risk extinction, but some are closer to the brink of dying out than others. Give readers the details about the world's most endangered animals , including their ranges, habitats, appearances, and behaviors. Reasons are given for why the animals are dying out, as well as actions people are taking to save these amazing animals before it's too late. Large, colorful photos entice young readers while fact boxes support the text.
