One of the best feelings in the world is the ability to prepare a delicious, healthy meal for loved ones. The comfort foods that we cling to can be nostalgic for us as we think about what was served in our families growing up, and we therefore try to replicate them as best as possible to recreate that warm feeling with every bite. Yet it can be difficult in making sure that all the components are there, especially if you are not cooking for a whole family, but for only two people. The ingredients and the preparation can seem challenging if you have to constantly divide the proportions to get it just right for a serving size of two. And if you find yourself strapped for time, the process can get even more stressful. Fortunately, there is an answer, and it is located right in this book. As you flip through the pages and study the recipes, you'll notice that the math and the directions are all done for you so that you can get on with preparing tasty meals for that special someone. Slow cookers allow you to place the majority or all of your ingredients into one container, set the temperature, and leave them to cook for the recommended amount of time. This "set it and forget it" procedure has made cooking a much less stressful process, and in the end, you'll have a delectable meal that you can be proud to serve! Unlock all the flavors of slow cooked meals with these recipes you're sure to enjoy.
