**Freddie Mercury** Peter Freestone

**An intimate memoir of the flamboyant Queen singer by the man who knew him best.**

Peter Freestone was Freddie Mercury's Personal Assistant for the last 12 years of his life. He lived with Mercury in London, Munich and New York, and he was with him when he died.

In this book, the most intimate account of Mercury's life ever written, he reveals the truth behind the scandalous rumours, the outrageous lifestyle and Mercury's relationships with men, women and the other members of Queen.

From the famous names – including Elton John, Kenny Everett, Elizabeth Taylor and Rod Stewart – to the shadowy army of lovers, fixers and hangers-on, Peter Freestone saw them all play their part in the tragedy-comedy that was Freddie Mercury's life.

Freestone lived with Mercury in Europe and America for over a decade. From the East 50s apartment in New York to Kensington Lodge, the house in London where Mercury died – not to mention innumerable international hotel rooms and apartments in between – Freestone was always on hand to serve and protect the man he had first met in the Biba department store in the early 1970s. Then Queen was a largely unknown band. Soon it would be the most glitzy of glam rock bands. Freestone saw the fame arrive and with it the generosity, the excess, and the celebrity friends who came and went.

"I was chief cook and bottle washer, waiter, butler, valet, secretary, amanuensis, cleaner, baby-sitter... and agony aunt," he writes. "I shopped for him both at supermarkets and art markets, I travelled the world with him, I was with him at the highs and came through the lows with him. I saw the creative juices flow and I also saw the frustration when life wasn't going well. I acted as his bodyguard when needed and in the end, of course, I was one of his nurses."

Freestone's bet-selling account of a talented and extravagant star's life and death is compelling, entertaining and ultimately, very touching.

Illustrated with many photos from personal and Freestone's own archives.

## Press Reviews

*"An entertaining and thought provoking read"* – **PRS for Music Sales**

*"This collection of Freddie's own words is the closest thing there is to an autobiography of a man with no regrets. The foreword is written by his mother"* – **reFRESH magazine**, Leading Gay mag in the UK

### From reader reviews:

#### **Bernice Hicks:**

Here thing why that Freddie Mercury are different and reliable to be yours. First of all reading through a book is good but it depends in the content of it which is the content is as tasty as food or not. Freddie Mercury giving you information deeper including different ways, you can find any guide out there but there is no e-book that similar with Freddie Mercury. It gives you thrill examining journey, its open up your own eyes about the thing that happened in the world which is probably can be happened around you. It is possible to bring everywhere like in park your car, café, or even in your means home by train. For anyone who is having difficulties in bringing the branded book maybe the form of Freddie Mercury in e-book can be your substitute.

#### **Sheila Nathan:**

The reason? Because this Freddie Mercury is an unordinary book that the inside of the e-book waiting for you to snap the idea but latter it will shock you with the secret this inside. Reading this book adjacent to it was fantastic author who all write the book in such wonderful way makes the content on the inside easier to understand, entertaining means but still convey the meaning thoroughly. So , it is good for you for not hesitating having this any longer or you going to regret it. This amazing book will give you a lot of gains than the other book include such as help improving your expertise and your critical thinking method. So , still want to hesitate having that book? If I have been you I will go to the guide store hurriedly.

#### **Dustin Broach:**

Freddie Mercury can be one of your nice books that are good idea. Most of us recommend that straight away because this book has good vocabulary that will increase your knowledge in vocabulary, easy to understand, bit entertaining but nevertheless delivering the information. The article author giving his/her effort that will put every word into joy arrangement in writing Freddie Mercury yet doesn't forget the main place, giving the reader the hottest and also based confirm resource info that maybe you can be one of it. This great information can easily drawn you into brand new stage of crucial thinking.

#### **Mary Kasten:**

Reading a e-book make you to get more knowledge from this. You can take knowledge and information originating from a book. Book is created or printed or illustrated from each source this filled update of news. In this modern era like now, many ways to get information are available for a person. From media social just like newspaper, magazines, science book, encyclopedia, reference book, book and comic. You can add your knowledge by that book. Ready to spend your spare time to open your book? Or just in search of the Freddie Mercury when you required it?
