Julio's Day

Gilbert Hernandez

Julio's Day Gilbert Hernandez

It begins in the year 1900, with the scream of a newborn. It ends, 100 pages later, in the year 2000, with the death-rattle of a 100-year-old man. The infant and the old man are both Julio, and Gilbert Hernandez's *Julio's Day* (originally serialized in *Love and Rockets* Vol. II but never completed until now) is his latest graphic novel, a masterpiece of elliptical, emotional storytelling that traces one life -- indeed, one century in a human life -- through a series of carefully crafted, consistently surprising and enthralling vignettes. There is hope and joy, there is bullying and grief, there is war (so much war -- this is after all the 20th century), there is love, there is heartbreak. This is very much a singular, standalone story that will help cement Hernandez's position as one of the strongest and most original cartoonists of this, or any other, century. Introduction by novelist Brian Evenson.

"A haunting performance and about as perfect a literary work as I've read in years. Hernandez accomplishes in 100 pages what most novelists only dream of -- rendering the closeted, phlegmatic Julio in all his confounding complexity and in the process creating an unflinching biography of a community, a country and a century. A masterpiece." -- Junot Díaz

From reader reviews:

Jordan Sampson:

Nowadays reading books become more and more than want or need but also become a life style. This reading practice give you lot of advantages. Associate programs you got of course the knowledge the actual information inside the book that improve your knowledge and information. The information you get based on what kind of reserve you read, if you want have more knowledge just go with education and learning books but if you want sense happy read one having theme for entertaining like comic or novel. Typically the Julio's Day is kind of reserve which is giving the reader unforeseen experience.

John Bennett:

Precisely why? Because this Julio's Day is an unordinary book that the inside of the reserve waiting for you to snap it but latter it will shock you with the secret the idea inside. Reading this book next to it was fantastic author who write the book in such awesome way makes the content inside of easier to understand, entertaining approach but still convey the meaning entirely. So , it is good for you because of not hesitating having this any longer or you going to regret it. This excellent book will give you a lot of rewards than the other book get such as help improving your expertise and your critical thinking technique. So , still want to postpone having that book? If I were you I will go to the publication store hurriedly.

Samantha Williams:

Do you have something that you enjoy such as book? The book lovers usually prefer to opt for book like comic, quick story and the biggest the first is novel. Now, why not seeking Julio's Day that give your fun preference will be satisfied simply by reading this book. Reading habit all over the world can be said as the opportunity for people to know world considerably better then how they react to the world. It can't be said constantly that reading addiction only for the geeky individual but for all of you who wants to become success person. So , for all of you who want to start looking at as your good habit, you may pick Julio's Day become your own starter.

George Conner:

It is possible to spend your free time to see this book this reserve. This Julio's Day is simple to develop you can read it in the area, in the beach, train and also soon. If you did not have got much space to bring often the printed book, you can buy often the e-book. It is make you easier to read it. You can save the particular book in your smart phone. So there are a lot of benefits that you will get when you buy this book.
