**The Prophet's Way: Touching the Power of Life** Thom Hartmann

## **Walk the Path to Divinity**

From the most ancient corner of Jerusalem's Old City to a candlelit Detroit temple where a teacher heals with his hands, from a famine-plagued refugee camp in Uganda to the bloodied streets of Bogota, Thom Hartmann's spiritual journey has been a long and fascinating one. In **The Prophet's Way**, named after a path—both literal and figurative—the author walked with his spiritual guru Herr Müller, Hartmann conveys his experiences of expanded consciousness and insight with inspiring clarity.

Both a spiritual guide and a touching memoir, **The Prophet's Way** has something for everyone, from the most devout to the dedicated agnostic. In a story that melds recent discoveries in science with ancient metaphysical truths, Hartmann offers specific techniques and tools to reconnect with life and help re-create our personal futures as well as that of the planet. By reuniting with the “heartbeat of the world” and one's own inner divinity, Hartmann suggests that one can have a positive influence on the Earth as a whole.
