During difficult economic times, it's tough not to focus on getting by with less and waiting for the next bit of bad news. But, as Christians, how do we respond to what's happening on Wall Street?

In *Upside Living in a Downside Economy*, pastor and author Mike Slaughter offers insight into seeking God's perspective in our daily money concerns. With clarity and a servant's heart, Slaughter addresses vital topics such as money and marriage, financial and spiritual investments, personal motivation and God's will, and determining priorities.

This four-session DVD and Leader's Guide for *Upside Living in a Downside Economy* will help guide participants in strengthening their spiritual connection while making economic corrections and, most importantly, responding according to God's plan.
