HIGH-STAKES PROTECTION AT HIGH ALTITUDES AROUND THE CLOCK

Prescott Personal Securities provided the best bodyguards money could buy. New client Kelly Warner had trouble she couldn't escape. Trapped in controversy, Kelly and her young daughter had the whole world watching them. But only one man was hired to look out for their best interests: Jack Sanders.

Kelly had secrets that people would kill for—and someone was trying real hard. But now she had Jack, and he would never take his eyes off her, no matter their past together. Caught under the gun, the all-American bodyguard had a message to send—Denver was under the protection of PPS, and there just wasn't room for anyone else.
