## **European societies** Steffen Mau, Roland Verwiebe

This comprehensive textbook provides a thorough analysis of the nature of European societies across the expanded EU member states. Using a wealth of data, the authors compare the different dimensions of the territorial and social order of Europe and address a range of issues relating to Europeanisation and key topics such as inequality, migration, poverty, population and family, the labour market and education. Presented in a student friendly way, this book also helps unravel people's attitudes towards Europe, European integration and citizens of other European countries. It will be an essential read for under- and post-graduate students and academics of sociology, European studies, social stratification, social policy and political sciences.
