## **False Promises: The Shaping of American Working Class Consciousness Stanley Aronowitz**

This classic study of the American working class, originally published in 1973, is now back in print with a new introduction and epilogue by the author. An innovative blend of first-person experience and original scholarship, Aronowitz traces the historical development of the American working class from post-Civil War times and shows why radical movements have failed to overcome the forces that tend to divide groups of workers from one another. The rise of labor unions is analyzed, as well as their decline as a force for social change. Aronowitz's new introduction situates the book in the context of developments in current scholarship and the epilogue discusses the effects of recent economic and political changes in the American labor movement.

### **From reader reviews:**

#### **Gerald Rountree:**

As people who live in the actual modest era should be up-date about what going on or data even knowledge to make these people keep up with the era which can be always change and move forward. Some of you maybe can update themselves by reading books. It is a good choice in your case but the problems coming to you actually is you don't know which one you should start with. This False Promises: The Shaping of American Working Class Consciousness is our recommendation to help you keep up with the world. Why, since this book serves what you want and want in this era.

#### **Richard Pascual:**

Information is provisions for anyone to get better life, information presently can get by anyone from everywhere. The information can be a know-how or any news even an issue. What people must be consider if those information which is from the former life are challenging to be find than now could be taking seriously which one would work to believe or which one the resource are convinced. If you find the unstable resource then you buy it as your main information you will have huge disadvantage for you. All of those possibilities will not happen with you if you take False Promises: The Shaping of American Working Class Consciousness as the daily resource information.

#### **Frances York:**

Many people spending their period by playing outside having friends, fun activity having family or just watching TV all day every day. You can have new activity to enjoy your whole day by reading a book. Ugh, you think reading a book can really hard because you have to use the book everywhere? It ok you can have the e-book, bringing everywhere you want in your Cell phone. Like False Promises: The Shaping of American Working Class Consciousness which is getting the e-book version. So , why not try out this book? Let's find.

#### **Karen Huff:**

As a pupil exactly feel bored to help reading. If their teacher questioned them to go to the library or make summary for some reserve, they are complained. Just small students that has reading's heart or real their leisure activity. They just do what the professor want, like asked to the library. They go to right now there but nothing reading critically. Any students feel that looking at is not important, boring as well as can't see colorful images on there. Yeah, it is being complicated. Book is very important for you. As we know that on this period, many ways to get whatever we would like. Likewise word says, many ways to reach Chinese's country. So , this False Promises: The Shaping of American Working Class Consciousness can make you really feel more interested to read.
