## **Women on the Edge of a Nervous Breakthrough** Isabel Sharpe

Welcome to Kettle, Wisconsin, a town where everyone knows nothing bad ever happens.

Enter Lorelei Taylor—notorious, glamorous, and hot off a not-guilty murder verdict that stunned the nation. To the women of Kettle, bad things seem suddenly inevitable . . .

*Sarah Gilchrist*—A perfect house and garden can't quite make up for a marriage that's a wreck. Sarah is determined to rise above her opinion of Kettle's dreadful newcomer and give her a perfect welcome. But in the face of Lorelei's outrageous provocations, Sarah's control starts to unravel.

*Erin Hall*—What her husband does to her behind closed doors stays hidden. But Lorelei's acquittal gives Erin hope for the first time. Convinced Lorelei did kill her abusive lover . . . and got away with it, Erin thinks she may have some power after all.

*Lorelei Taylor*—In Lorelei's eyes, peaceful, heavenly Kettle could not look any more like hell. She vows to shake up the town—smug, priggish Sarah; mousy, downtrodden Erin; and while she's at it, her widowed neighbor, Mike. Except the harder she shakes, the more the shake-up is happening to her.

Sometimes the only thing women on the edge need . . . is a push.
