She's Gone Too Far...

A year ago, criminal defense attorney Carling Dent woke up in a conference room with a bullet wound, a murdered client and no memory of what happened. Since then, she's grown reckless. She's gained a reputation for representing defendants no one else will, and her own partners are beginning to question her conduct.

Then a car accident triggers flashbacks, and Carling is driven by the need to find out what really happened that day. Her investigation begins to uncover a twisted web of secrets someone doesn't want exposed. The threats against Carling escalate, and she turns to the one person she wants to trust—her former lover, prosecutor Jared Manning.
