Ducky: Diary One (California Diaries Book 5) Ann M. Martin

Ducky's old buddies have changed, leaving him feeling alone . . . Maybe he doesn't need guy friends anyway

Sophomore Christopher McCrae has been called “Ducky” for as long as he can remember. It wasn't his choice, but it fits because it's weird and funny, just like him. Ducky's nickname has not changed, but other things have: His best friend, Jay, has started hanging with the Cro Mags—the kind of guys who spend their energy picking on guys like Ducky—and his other friend Alex is always spaced out and moody.

Hanging out with his new friends Dawn, Sunny, Maggie, and Amalia has been cool, but he misses the connection to his guy friends. His parents are in Ghana for a year, and have left him alone with his older brother, Ted, who is gone most of the time. When Jay throws a party and invites Ducky and Alex, Ducky thinks things might be turning around. But when the night takes an unexpected turn, Ducky realizes it's not so easy to reconnect with his old friends.

This ebook features an illustrated personal history of Ann M. Martin, including rare images from the author's collection.
