Humans: Bottom of the Intimate Food Chain Sadie Kolbet

Relationships have evolved like music and people have over the years. Women used to stay at home and cater to their husbands, and sex was waited on until marriage. Now, sex begins a potential relationship and you never know if you will have intimacy or be used. This book is meant to give you a giggle, have you nod every now and again as you realize it's painfully true, as well as give you the woman's aspect on everyday hardships in relationships.
