Red Sonja is plunged through the Rift to Jana the Jungle Girl's tropical island, just as paradise is besieged by a terrifying monster that rains down ice and snow with killing cold. Jana, terrified for her homeland, is determined to destroy the source of the magic and return balance to her world - even if that means combating the She-Devil herself! An official tie-in to the epic Swords of Sorrow crossover event, written by celebrated writer Marguerite Bennett (Batgirl, Earth 2).
