## **Tinieblas para mirar (Spanish Edition)** Tomás Eloy Martínez

Escritos a lo largo de más de medio siglo, buena parte de ellos inéditos o nunca antes publicados en libro, los relatos aquí reunidos constituyen una síntesis del talento de Tomás Eloy Martínez y de los asuntos que lo asediaron toda su vida: los desgarramientos de la realidad argentina, el peronismo y sus emblemas, el exilio, la sexualidad y la muerte.

Un fallido intento de intercambio de cadáveres ilustres -los de Evita y Aramburu- con la ayuda de un camión cisterna como vehículo y refugio; la vida de una mujer que despliega todos los días una coreografía en una estación de trenes neoyorquina; la semblanza irónica de un niño prodigio destruido por una madre posesiva; el enfrentamiento entre el ejército y unos obreros en las afueras de la ciudad de Tucumán poco después del 55; las legendarias andanzas de dos asaltantes de la década del treinta son algunas de las historias que abordan estos cuentos.

Al filo de la crónica periodística o lanzados a las más delirantes maquinaciones de la ficción, estos relatos brillan por su absoluta vigencia y confirman la dimensión literaria de un autor imprescindible.
