What would it be like if Jesus had come to another planet?

Oriannon is living the good life on the bright side of Corista, a small planet circling three suns. But things get crazy for the teen when a new music teacher arrives at her school with strange songs and even stranger ideas. Soon Oriannon is pressured to spy on her teacher, Jesmet, by using her powers to record everything she sees and hears.

Could Jesmet really be a faithbreaker, like Oriannon's friend Margus says? She's not so sure, but her life is turned upside-down when she loses her way on the dark side of the planet and is taken in by an odd, cliff-dwelling people. And when her new friends face a deadly threat, can the once self-centered Oriannon follow her heart. . . and save half the planet?

Program Summary Field:

Those who live in lush comfort on the bright side of the small planet Corista have plundered the water resources of Shadowside for centuries, ignoring the existence of Shadowside's inhabitants, who are nothing more than animals. Or so the Brightsiders have been taught. It will take a special young woman to expose the truth—and to help avert the war that is sure to follow.
