A Youth Worker's Commentary on John, Vol 1: Volume 1 Les Christie, David P. Nystrom

When a youth pastor is preparing a lesson, it's sometimes challenging to find a curriculum that really offers depth into the Scripture passages and goes beyond a cursory look at the text. A Youth Worker's Commentary on John is the first in a new series of commentaries developed with youth workers in mind. An in-depth, yet readable approach to the gospel of John, this first volume includes commentary, word studies, personal and historical stories, and discussion questions that will help get students thinking and talking. The gospel of John is the most personal and revealing of all the portraits of Jesus in the New Testament. This commentary has the entire NIV biblical text printed alongside a rich, deep look into the meaning of this gospel. Youth workers will find this to be an invaluable aid for message and lesson preparation. They'll get a solid understanding of the gospel of John, including its historical context, rationale, and meaning, to see how to apply what they uncover to the needs and issues the teens in their group are dealing with.
