Sick Girl

Amy Silverstein

Sick Girl Amy Silverstein

The hardcover publication of *Sick Girl* garnered tremendous attention, generated impressive sales, and ignited controversy. Both inspiring and provocative, reactions to the book ranged from inflammatory posts on a U.S. News & World Report blog, to hundreds of letters from readers, to a full-page review in *People*. Amy's force, candor, and her refusal to be the thankful patient from whom we expect undiluted gratitude for the medical treatments that have extended her life, have put her at the center of a debate on patient rights and the omnipotent power of doctors. At twenty-four, Amy was a typical type-A law student: smart, driven, and highly competitive. With a full course load and a budding romance, it seemed nothing could slow her down. Until her heart began to fail. Amy chronicles her harrowing medical journey from the first misdiagnosis to her astonishing recovery, which is made all the more dramatic by the romantic bedside courtship with her future husband, and her uncompromising desire to become a mother. In her remarkable book she presents a patient's perspective with shocking honesty that allows the reader to live her nightmare from the inside—an unforgettable experience that is both disturbing and utterly compelling.

From reader reviews:

Kimberly Thibault:

Spent a free time to be fun activity to try and do! A lot of people spent their spare time with their family, or all their friends. Usually they performing activity like watching television, planning to beach, or picnic inside park. They actually doing same every week. Do you feel it? Do you wish to something different to fill your current free time/ holiday? Could be reading a book can be option to fill your totally free time/ holiday. The first thing that you ask may be what kinds of reserve that you should read. If you want to test look for book, may be the publication untitled Sick Girl can be good book to read. May be it is usually best activity to you.

Shanika Jeans:

Do you have something that you like such as book? The publication lovers usually prefer to choose book like comic, quick story and the biggest an example may be novel. Now, why not seeking Sick Girl that give your enjoyment preference will be satisfied by simply reading this book. Reading behavior all over the world can be said as the means for people to know world a great deal better then how they react towards the world. It can't be said constantly that reading habit only for the geeky individual but for all of you who wants to be success person. So , for every you who want to start examining as your good habit, you are able to pick Sick Girl become your own personal starter.

Carrie Hunter:

As we know that book is very important thing to add our knowledge for everything. By a publication we can know everything we want. A book is a pair of written, printed, illustrated as well as blank sheet. Every year has been exactly added. This reserve Sick Girl was filled with regards to science. Spend your free time to add your knowledge about your scientific research competence. Some people has distinct feel when they reading a book. If you know how big benefit from a book, you can experience enjoy to read a e-book. In the modern era like at this point, many ways to get book that you wanted.

Tammy Booker:

As a college student exactly feel bored in order to reading. If their teacher expected them to go to the library or to make summary for some reserve, they are complained. Just small students that has reading's heart or real their hobby. They just do what the instructor want, like asked to the library. They go to there but nothing reading critically. Any students feel that examining is not important, boring along with can't see colorful pictures on there. Yeah, it is being complicated. Book is very important for you. As we know that on this time, many ways to get whatever you want. Likewise word says, ways to reach Chinese's country. Therefore this Sick Girl can make you experience more interested to read.
