**The Sun and the Serpent** Hamish Miller, Paul Broadhurst

If you are into ley lines, then this book is a must for you. It literally maps the Michael and Mary ley lines (which originate in Cornwall in the South West of England) in the finest detail, and takes you on a journey through ancient history to present day. Not only will you discover where the ley lines criss-cross the English countryside but you will find out how the ancients used the ley lines to locate their sacred sites and activate their energies at key times of the year to promote fertility and harmony in the landscape and the people.
