A new thrill ride begins in the Amazon rainforest with the latest novel in the Worst-Case Scenario Ultimate Adventure series! Join an expedition of students exploring the Amazon jungle and face real dangers and decisions. Your choices will determine your fate. Will you survive your encounters with piranhas, tarantulas, mosquitoes, monkeys, and jaguars? Or will you be forced to return home early? Only you can decide how to survive. There are twenty-two possible endings to this adventure, but only ONE leads to ultimate success! Featuring dynamic comic book–style illustrations, and based on real, true-life facts about the Amazon, this story will be a surefire hit with anyone craving a fun, highly visual reading experience.

Bonnie Parker:

As a university student exactly feel bored to be able to reading. If their teacher expected them to go to the library or even make summary for some e-book, they are complained. Just tiny students that has reading's heart and soul or real their interest. They just do what the educator want, like asked to the library. They go to right now there but nothing reading significantly. Any students feel that examining is not important, boring and also can't see colorful photos on there. Yeah, it is to become complicated. Book is very important in your case. As we know that on this age, many ways to get whatever we would like. Likewise word says, many ways to reach Chinese's country. Therefore this *The Worst-Case Scenario Ultimate Adventure Novel: Amazon* can make you experience more interested to read.
